Brief

BYHP is looking for an enthusiastic gardener to sort and maintain our garden area, 3 raised beds and the boarder that runs along the back of the building. If you would like to plant flowers or grow fruit and vegetables, we are happy to see them used. BYHP has a selection of gardening tools for use and is happy to pay some additional costs for seeds or plants for the beds and boarder.

Since the beginning of the Covid-19 pandemic our regular gardener stopped coming and so the grass is extremely long. The whole garden will need strimming first and then maintaining with a lawn mower.
